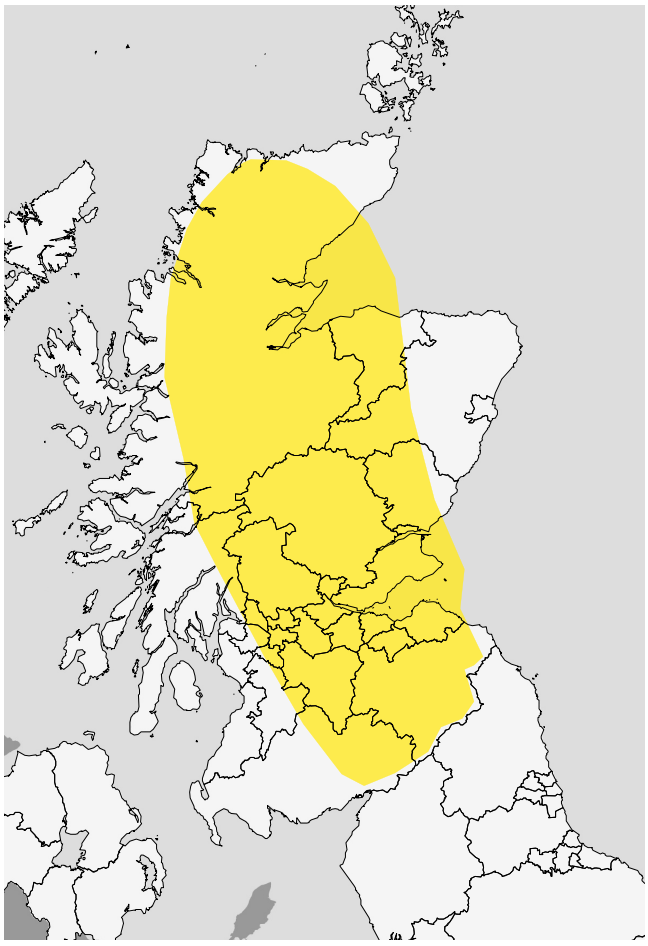
Yellow warning
Thunderstorm

Between
12:00 Tue 27 Jul 2021 and
23:59 Tue 27 Jul 2021



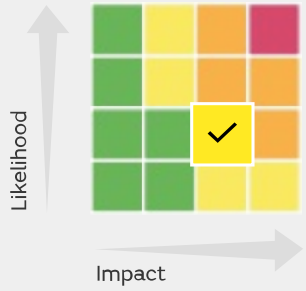
Thundery showers may lead to flooding and transport disruption.

What to expect

- Flooding of homes and businesses could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Some communities might become cut off if roads flood
- Power cuts might occur and other services to some homes and businesses could be lost

Further details

Heavy showers and thunderstorms are expected to develop across Scotland during Tuesday afternoon, lasting well into the evening in some places. Where these showers occur, 20 to 40 mm of rain is possible in a couple of hours with the potential for around 60 mm in 3 to 6 hours in some locations. This may cause localised flooding, especially if such totals occur over urban areas. Lightning and hail will pose additional hazards.



Low likelihood of medium impacts

Issued at 10:41 Mon 26 Jul, 2021
